

# APEX LEARNING ONLINE CATALOG

The following courses are available for all Fairfax Global Academy High School students to take at their own pace via Apex Online Learning. All courses are designed according to Common Core Standards in order to meet the academic needs of students from all educational backgrounds. **Please note: Courses in this catalog followed by an asterisk are also available in individual semester versions in addition to the full year option.** Unless otherwise indicated, all courses are designed to contain a full academic year's worth of work.

## Prescriptive Courses

*Apex Learning Prescriptive Courses are the same rigorous, standards-based Courses offered for original credit, but include an enhanced feature set making them ideal for credit recovery. Students enrolled in these Courses master the skills and concepts necessary for their future success.*
